NOTE: This map is not a legal document. The Metropolitan Council has compiled the communities' planned land use into one GIS dataset. Each community* in the metropolitan area is required to complete a 2040 comprehensive plan by 2018 for review by the Council to assure all community plans are compatible with regional systems (i.e., sewer, transportation, etc.). For those communities where a 2040 comprehensive plan has not been adopted, data reflects their 2030 Comprehensive Plan, Through comprehensive plan land use designation may change over time. For exact planned land use information, please contact the community.

*Hanover, New Prague, Northfield and Rockford are outside theMetropolitan Council's Comprehensive Plan review jurisdiction and therefore do not have to submit comprehensive plans nor plan amendments to the Council.
